Bourbon Whiskey
57.15% ABV | 114.3 Proof

| | |
|----------------------|---------------------------------|
| Mash Bill | 72% Corn 13% Rye 15% Barley |
| | <i>125 Barrel Entry Proof</i> |

Dating back to the age of the farmer distiller, the milling of surplus corn crops enabled farmers to distill and more easily transport the fruits of their labor to market. The Noah's Mill bottle features a nostalgic depiction of the iconic town mill with rich dynamic flavors contained inside.
