*Kentucky Straight*  
Bourbon Whiskey  
Varies By Bottling

## Mash Bill

|                               |                                 |
|-------------------------------|---------------------------------|
| 70%                           | 52% Corn   38% Rye   10% Barley |
| 30%                           | 72% Corn   13% Rye   15% Barley |
| <i>125 Barrel Entry Proof</i> |                                 |

The Willett Family Estate Small Batch Bourbon is a commingling of two classic Willett family mash bills. A new addition to the Willett family of brands with legendary roots and fresh elegance. Both mash bills enter the barrel at 125 proof with a final bottling proof to vary among batches based on the discretion of Master Distiller and fifth generation whiskey maker, Drew Kulsveen.
